

# Communication

Why choose

COMMUNICATION

at PPCC?

We focus on helping students develop communication skills for effective verbal and nonverbal behaviors in the area of public speaking, cultural interaction and inclusion, interpersonal relationships, group participation and professional projects.

## ***Career Options***

The ability to be a persuasive communicator is key to advancement in virtually every career field. Employment possibilities include:

- Journalism
- Education
- Radio and Television
- Sales
- Government or Corporate Communication

**PIKES PEAK**  
COMMUNITY  
COLLEGE

## *What will you study?*

We offer classes that guide students in developing effective verbal and nonverbal skills. Students who graduate from communication will exhibit:

- Confidence in public speaking and group participation
- Effectiveness in work-related projects and interactions
- Improved interpersonal communication skills

### ***Transfer Info***

The associate degree in Communication is part of the guaranteed transfer program. After completion of the program, you can transfer to any four-year Colorado state college, and many others. It is recommended that you regularly consult with your academic advisor.
