

PPCC Math Flow Chart

Effective Fall 2021

BKoltun A&T 3.2021

- Students should enroll in the paired co-req course for MAT 103, 107, 112, 120, 135, and/or 155.
- AAA 109 is required for students who take an 0 level MAT course.
- Please reference Multiple Measures for Placement for test score information.
- Students who have passed MAT 050 with a “C” or higher in the last five years are eligible for MAT 103, 107, 112, 120, 135, and/or 155 without the co-req.
