

Pivot focuses on serving students' unique needs with a holistic approach and a student-centered framework. We emphasize personalized education plans and recognize students' unique learning styles, goals, and challenges.

Empowering Students to Achieve Their Future!

- Earn your High School Diploma & College Credits
- Flexible, personalized learning for student success
 - Supportive community & mentorship

Why Choose Pivot?

- **Flexible Learning Options:** Online and in-person support tailored to individual needs.
- **College Credit Opportunities:** Get a head start on your future by earning college credits.
- **Dedicated Success Coaches:** One-on-one mentorship to guide and support your goals.
 - **Career & Life Skills Development:** Build essential skills for long-term success.
 - **Community Support & Partnerships:** Access local resources and career pathways.

How It Works?

Step 1: Attend an Information Session.

Step 2: Apply to Pivot.

Step 3: Develop a personalized graduation plan based on your interests and credit still needed.

Step 4: Earn your diploma while advancing your future.
