

Submit your news and events to pikespeak.edu/publicity-request by Wednesday, February 28 at 5 pm for the March 11–24 issue.

Refer to pikespeak.edu/ssj or your PPSC email for a digital edition with live links.

AI TOWNHALL

Friday, Mar. 1 | 10am–12pm
Centennial, Theater

Sponsored by the Gazette

Shaping Tomorrow: A Colorado Conversation on AI's Next Frontier

Learn from three expert AI panelists on the latest evolutions of Artificial Intelligence in software development, cybersecurity and national defense, and small business applications.

David Scott Bernstein

President of The Passionate Programmer

David Scott Bernstein, a seasoned software developer and co-author of “Prompt Engineering for Everyone,” unlocks technology’s potential for diverse audiences. Through his consulting firm, To Be Agine, he has transformed software development practices globally, empowering over 10,000 professionals.

Christie Frieg

President of Alethia Software

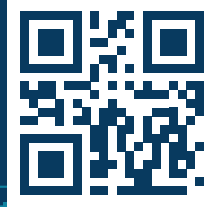

Born and raised at the foot of Pikes Peak, Christie has spent decades steeped in the strong military community of Colorado Springs. Space Domain Awareness is her contribution to the protection of her homeland and fighting for the future of the American dream.

Brandon Lee

President of Edison App Design

Since 2016, Brandon has been creating digital marketing solutions for small businesses across the United States. With a wide array of professional experience, strong business acumen and broad knowledge of tech skills, Brandon quickly presents solutions to clients.

Free to the public.
Registration required.

KUDOS

PPSC WELDING INSTRUCTIONAL TEAM SUPPORTS WELD LIKE A GIRL CAMP 2024

PPSC empowers women in the skilled trades—particularly in male-dominated occupations like welding. On Saturday, February 3rd, Lab Assistant, Kara Cartwright, served as a presenter for camp attendees, comprising of girls ages 8-15. The PPSC Welding Instructional Team, including Department Chair, Travis Lee, and Lab Assistant, Josh Butler, taught attendees how to weld a metal heart. Kudos to the Welding Team for empowering girls in the skilled trades!
