Your financial aid application was selected for review in a process called "Verification." In this process, your college will compare information from your Free Application for Federal Student Aid (FAFSA) with this worksheet and any additional documentation requested for you to submit. The law requires completion of Verification before aid offers and/or disbursement of any federal aid. If there are differences between your FAFSA application and your verification documentation, electronic corrections to your FAFSA may be required. Please contact your Financial Aid Office if you have any questions.
