

2024-25 Verification Worksheet V5

Federal Student Aid Programs

Dependent Student

Your financial aid application was selected for review in a process called "Verification." In this process, your college will compare information from your Free Application for Federal Student Aid (FAFSA) with this worksheet and any additional documentation requested for you to submit. The law requires completion of Verification before aid offers and/or disbursement of any federal aid. If there are differences between your FAFSA application and your verification documentation, electronic corrections to your FAFSA may be required. Contact your Financial Aid Office at (XXX) XXX-XXXX if you have questions.
