I would like to CANCEL the following loan:

My SUBSIDIZED/UNSUBSIDIZED Loan OR
 My Parents PLUS Loan

Select the semester(s) you want the loan cancelled (check all that apply):

Fall 2024 Spring 2025 Summer 2025

My signature below authorizes PPSC to cancel this loan and signifies acknowledgement and acceptance of the following:

I understand that this is a request to cancel my FEDERAL LOAN, not a private loan or GRANT/SCHOLARSHIP funds.

I understand that cancelling a loan within 14 days of it paying to my student account might result in a balance being owed the college and it is my responsibility to pay that balance in full.

Please see a Financial Aid Advisor if it has been more than 14 days since your loan has paid to your account.

I understand that cancelling my loan does not drop or withdraw me from my class(es). If I choose to drop/withdraw from my class(es), I must do so myself through my student portal, on Navigate or in the Enrollment Services Center. Dropping/withdrawing may result in me having a balance being owed on my student account. It is my responsibility to pay that balance in full. **Please see a Financial Aid Advisor if you are dropping/withdrawing after your aid (grants, loans, scholarships, etc.) has paid** as dropping or withdrawing could affect current/future aid.

I understand that if I am no longer enrolled/attending at least six (6) credit hours that I may be required to complete EXIT LOAN COUNSELING at the federal student aid website <https://studentaid.gov/>.

Loans are initially processed as Fall/Spring, Spring/Summer or Summer only depending on when PPSC received your FAFSA.

I understand that if I cancel my loan for one semester, my future loans for the financial aid year will also be cancelled and, if I attend future semester(s), I will have to submit a Loan Increase Request form for them to be reinstated.
