Is Business Right For You?

Why a Business Degree?

The business world is profit-driven and competitive. A business degree gives you knowledge and skills that employers want and that translate across many roles and industries. A business degree can prepare you for careers in many industries, including healthcare, marketing, information technology, and financial services. Are you:

- Naturally able to solve problems for any group situation?
- Happy when a plan turns out to be better than expected?
- Interested in profit and loss numbers?
- Empathetic to others and comfortable with change?
- Interested in managing or gaining skills to communicate effectively?

If you are a business-minded person, then the Business Transfer Degree could be for you.
