

STEP 1

[Go to myapps.uchealth.org](https://myapps.uchealth.org)

STEP 2

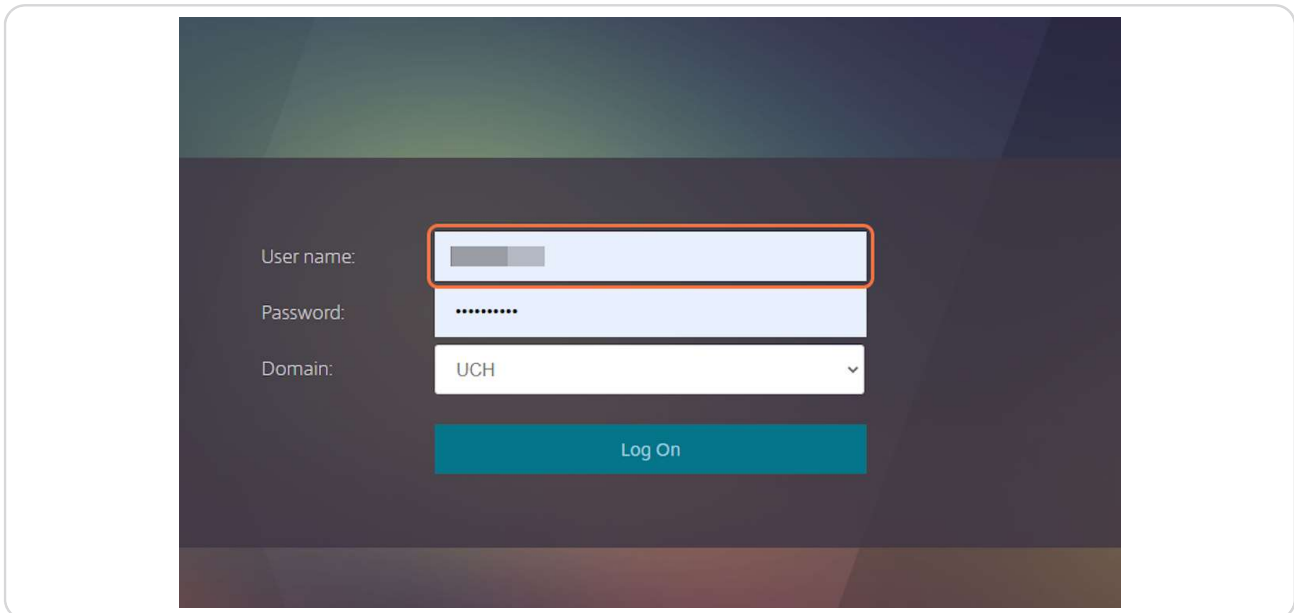

Type "Username"

This information will be provided by your clinical coordinator.

STEP 3

Type password

If logging in for the first time this will be your temporary password also provided by your clinical coordinator.

A screenshot of the Uchealth login interface. The background is dark with a teal header and footer. The login form is centered and consists of three input fields: 'User name:', 'Password:', and 'Domain:'. The 'User name:' field is highlighted with a red border. The 'Password:' field contains a series of dots. The 'Domain:' field is a dropdown menu with 'UCH' selected. Below the input fields is a teal 'Log On' button.

User name:	<input type="text"/>
Password:	<input type="password"/>
Domain:	<input type="text" value="UCH"/>
<input type="button" value="Log On"/>	

STEP 4

UCH is the default domain do not change this field.

STEP 5

Click on Log On

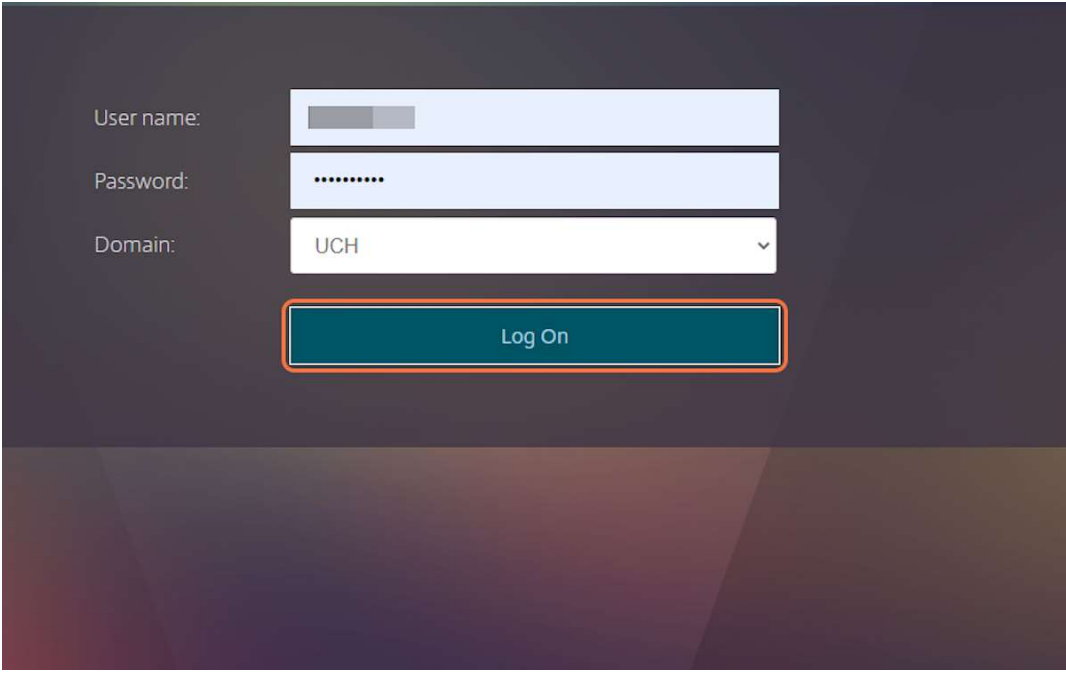

If it is time to update your password you will be prompted from this screen. Follow the prompts to change your password using the New Password Criteria outlined below.

New Password Criteria

- Length: Minimum 8 characters
- Complexity: Must Include 3 of the 4:
 - Upper Case (A-Z)
 - Lower Case (a-z)
 - Base 10 digits/numeric (0-9)
 - Special Characters examples: . () ! * \$ -
- Cannot contain a portion of your name or user name.

Example: If your last name is Smith can't use Smith in your password.

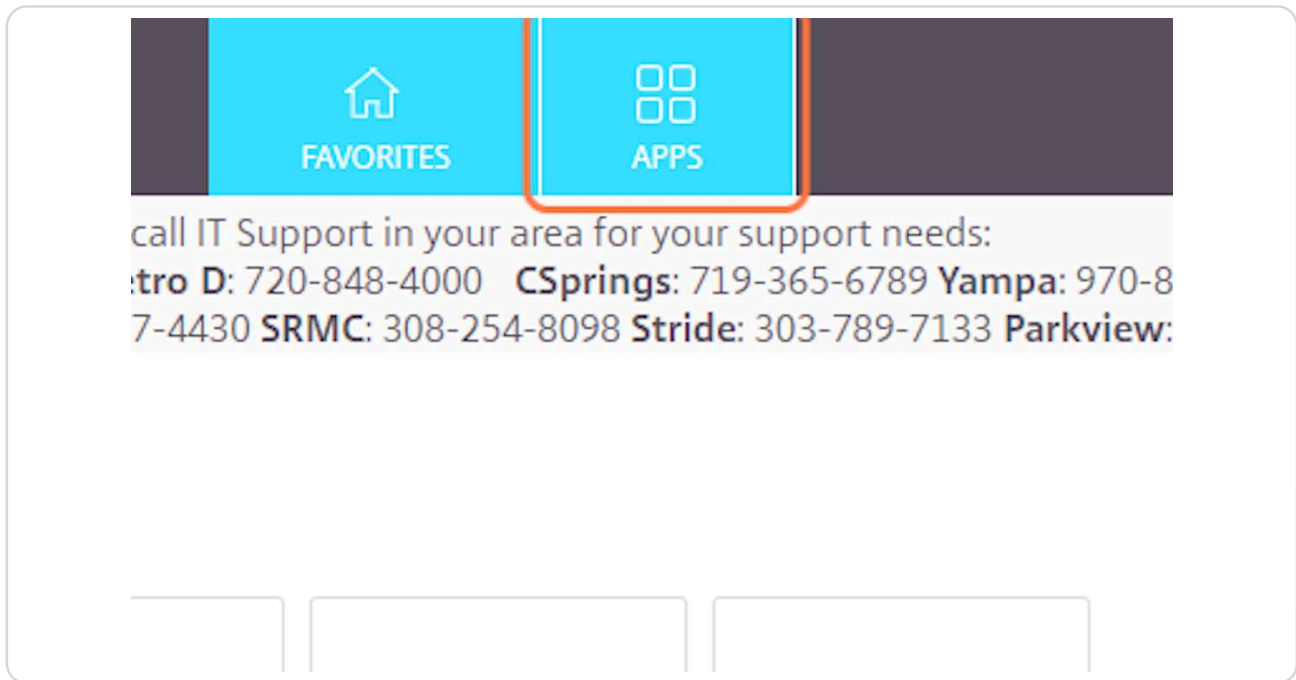

- **Must be changed every 90 days, when prompted**
- **Last 5 passwords cannot be reused**

The image shows a login interface on a dark background. It features three input fields: 'User name:' with a light blue box containing a greyed-out name; 'Password:' with a light blue box containing seven dots; and 'Domain:' with a white dropdown menu showing 'UCH'. Below these fields is a teal 'Log On' button with a white border. The entire form is enclosed in a rounded white border.

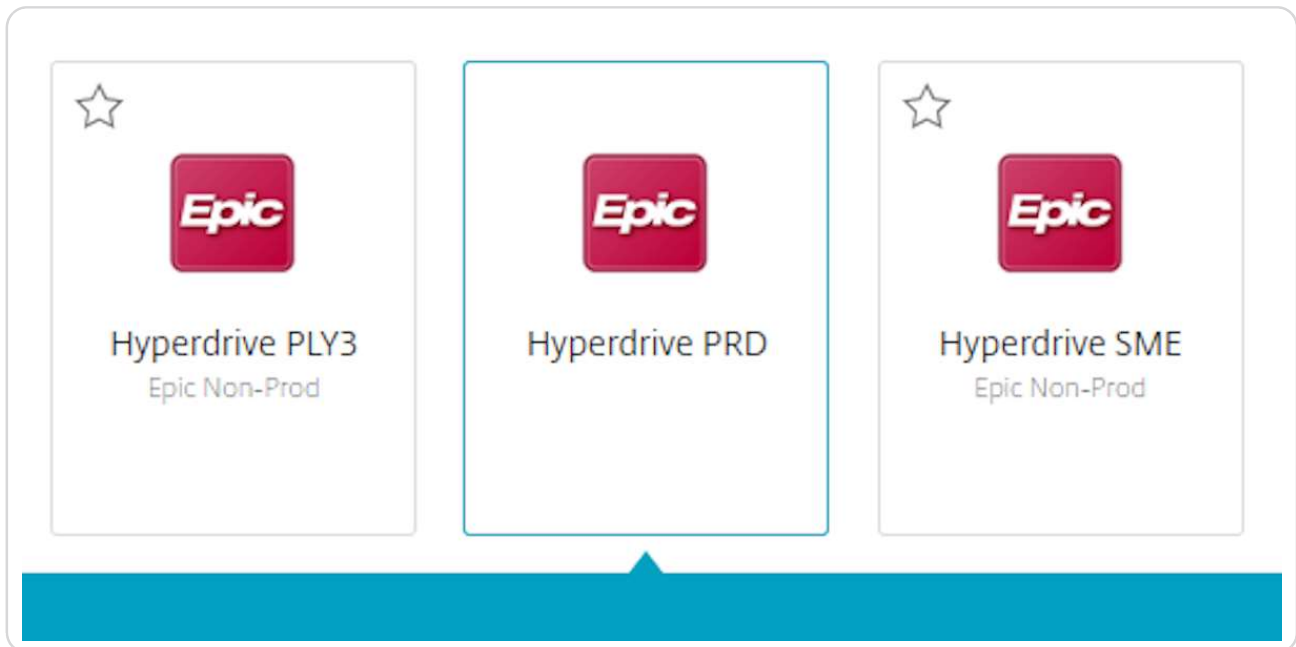

STEP 6

Click on APPS at the top of the screen.

STEP 7

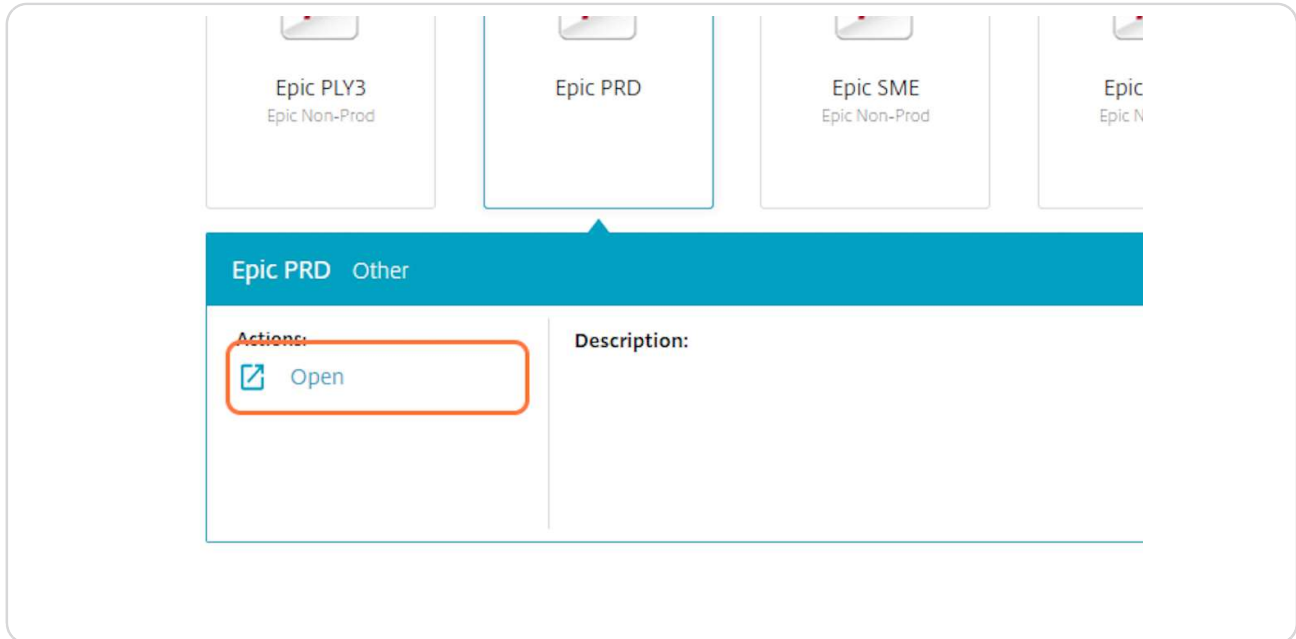

Click on Hyperdrive PRD

STEP 8

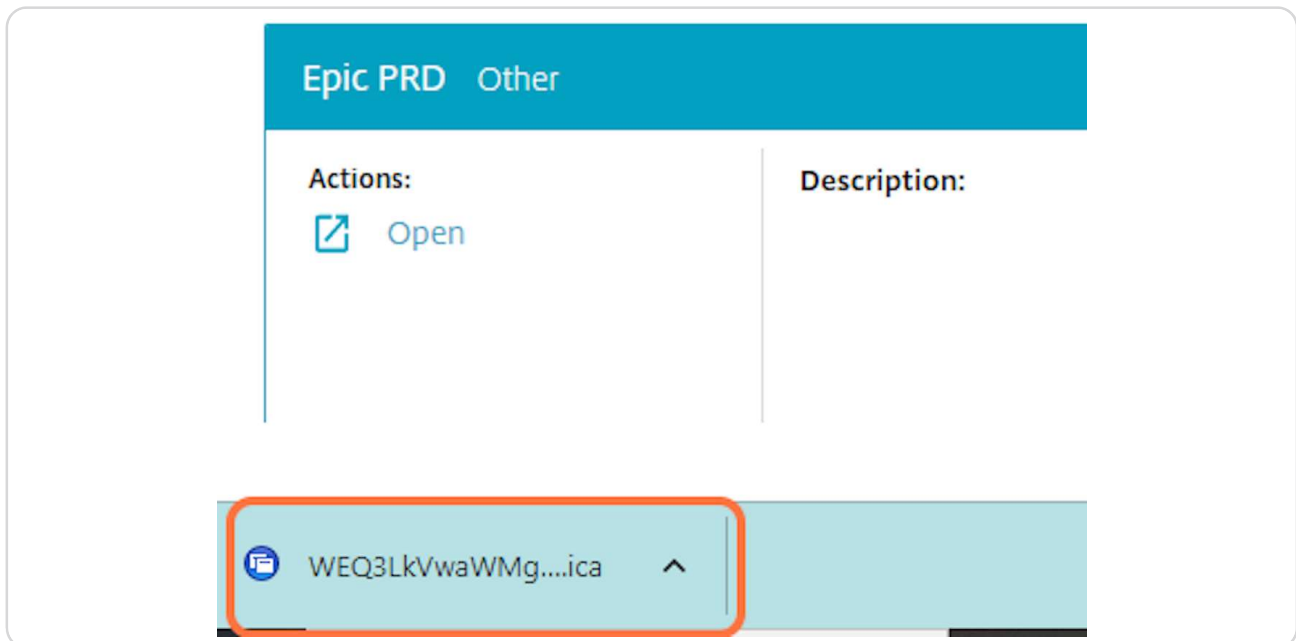

Click on Open

An automatic download will begin.

STEP 9

Click the auto download Run Box at the bottom left corner of your screen.

STEP 10

Epic Hyperspace will launch. You will be prompted to login with your username and password. If you were prompted to change that password on the previous screen you will use your new password to login to EPIC.
