

AAS Physical Therapist Assistant Admission Requirements

Please list Degree General Education (support courses) that you have already completed.

These courses must be completed by the third semester of the PTA Program (after you have been accepted into the Program). Although not all these courses are not required to be admitted into the program, it is highly recommended that you complete as many of these courses as you can **BEFORE** you are accepted into the Program

Bio 201, PHY 105, MAT 107, and HPR 139 are required before program entry.

The applicant is given points based on completion of any of the general education courses listed in the PTA Degree Plan (i.e., BIO 201, ENG 121, etc.). The applicant must achieve a “C” or higher for the course to count. Completion of the general education courses enhances the student’s selection to the Program. To be awarded points, the course(s) **MUST BE COMPLETED**, with a grade given, by April 1st. General education courses not completed before Program entry must be completed **BEFORE** entering the final semester in the PTA Program (Spring II semester or semester 5) apart from BIO 201, PHY 105, MAT 107, and HPR 139 which must be complete before the technical phase begins (Fall I). The summer semester prior to starting the program is for completing those courses or any that have not been taken.
